Hi Margo and Terri – how does Feb. 12 at 2:30 or after sound for a conference call with ELT? After asking Honeywell for multiple options, Feb. 12 is all that they proposed. They can do anytime that day, but I prefer 2:30 or later. I think this would be a 1 or 2 hour call.

I haven't yet proposed the date/time to ELT, but if it works for you both, I'll ask them. I'm not sure if it's worth asking everyone on your teams yet, since we don't know yet if it works for ELT. I just didn't want to put it out there if you can't participate.

Thanks,
Laura

Hi David – Honeywell is available Feb. 12 for a call with ELT. I have a call in the late morning, and from 1:30-2:30. Is it okay with you if I propose 2:30 that day?
